

MUSICAL AND DRAMATIC.

Madame Seebach as "Adrienne Lecouvreur." Scribner's play of Adrienne Lecouvreur, which was performed last evening at the Academy of Music, possesses many advantages over either of the pieces in which Madame Seebach had previously appeared.

At the Chesnut Mr. Frank Drew is drawing full houses, and his fine comic talents appear to be as highly appreciated as they ever were.

At the Academy of Music Madame Seebach will personate "Louisa Miller" in Schiller's "The Maid of Orleans" and "The Jew of Malta."

ENFEEBLED AND DELICATE CONSTITUTIONS, of both sexes, use HELMBOLD'S EXTRACT BUCHU. It will give vigor and energetic feelings, and enable you to sleep well.

THE LORRAINE VEGETABLE CATHARTIC PILL is far the best Cathartic remedy yet discovered. The most complete success has long attended its use. It never acts to accomplish all that is claimed for it. It produces little or no pain; leaves the organs free from irritation, and never overtaxes or excites the nervous system.

HELMHOLD'S EXTRACT BUCHU IMPROVED ROSE WASH cures delicate disorders in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It is pleasant in taste and odor, immediate in its action, and free from all injurious properties.

HAVE YOU HEARD ABOUT THIS?—Owing to the high price of meats of all kinds, a company has been organized to manufacture and sell out of pig iron. Whether done or not, in regard to the success of this novel enterprise, there can be none concerning the superiority of the Humberbrook Lough Coal sold by G. L. HANCOCK, at the northwest corner of Ninth and Master streets. This superb vein of anthracite maintains the high reputation it gained when first introduced to our market. It is the best fuel that every house-keeper should use, and when prepared under HANCOCK'S supervision is entirely free from dust or slate. Test it for yourselves.

THE GLOVE OF MAN IS STRENGTH.—Therefore the nervous and debilitated should immediately use HELMBOLD'S EXTRACT BUCHU.

FINANCIAL,

THE CENTRAL RAILROAD OF IOWA,

Connecting St. Louis and St. Paul. This road is built by a Company of strong capitalists, who have pushed their work forward at a rapid rate.

ONE MILLION OF THE FIRST MORTGAGE BONDS

90 and Accrued interest. Among their advantages are—

1st. The road is nearly finished, and the cars are expected to run across the State in 60 days.

2d. The road has been built only of the best material, the iron having been manufactured expressly for it, at a much higher cost than that usually paid.

3d. It runs through a most superb agricultural country.

4th. It has great advantages in carrying coal North and bringing lumber South.

5th. The Mortgage is only \$18,000 per mile, while many other roads are bonded to double this amount.

6th. The road is principally owned by bankers and other capitalists, who have invested a large sum in its construction, and who have every reason to take care of its obligations.

7th. A First Mortgage for so small an amount, upon a road so near completion, and in such strong hands, may well be considered a perfectly safe security.

We believe there will be no more favorable time to sell Governments, and buy First-class Railroad Securities—such as these—the present. With any further decline in Gold, Governments must decline also.

W. B. SHATTUCK, Treasurer, No. 22 PINE Street, New York.

After a full examination, we have accepted an Agency for the Sale of the above First Mortgage Bonds, and desire to recommend them to our customers AS A THOROUGHLY SAFE, AS WELL AS PROFITABLE INVESTMENT.
